

Angelica Campbell, LPC

Ms. Angelica Campbell is a Professional Counselor who is independently licensed in the state of Texas to provide therapeutic services to children, adolescents, adults, and families.

Ms. Campbell earned a Bachelor of Science degree in Psychology at Evangel University in 2010 and then went on to obtain a Master of Arts in Counseling with an emphasis in Marriage, Family, and Child counseling at Webster University in 2014.

Ms. Campbell joined the JCCTA team in 2018, since providing individual, play, couple's, and family therapies to children, adolescents, and adults who experience a wide array of functional challenges, as well as social skills training with youth aged six to 17. She has experience working with individuals who are dealing with anxiety, depression, ADHD, Oppositional Defiant Disorder, Autism Spectrum Disorder, other developmental delays, sensory difficulties, and general behavioral and relational troubles. Ms. Campbell has worked with individuals diagnosed with Prader-Willi syndrome, diabetes, and other medical conditions. She has also provided therapy to children and families in the foster care and adoption systems.

Ms. Campbell possesses an immense heart and passion for helping individuals develop strong emotional, social, and communication skills in becoming healthy and confident people. She wants families to operate more adaptively, both individually and as a cohesive group. Plus, Ms. Campbell strongly believes parent involvement is imperative throughout the therapeutic process.

If you believe Ms. Campbell can be of service to you, your child, and/or your family, please do not hesitate to contact her directly at acampbell@jonesccta.com with any questions you may have.
