Personal Email: _____ Work Email: _____

Employer: _____ Job Title: _____

Date(s) of workshop to attend: _____

Qualifications: Applicants must possess an undergraduate and/or graduate degree and two years' experience in fields such as education, psychology, assessment, speech pathology, occupational therapy, or school nursing.

Registration: A completed application, as well as a professional resume for both new and previously certified screeners outlining your educational and employment backgrounds, must be submitted to The Jones Center for Children's Therapy and Assessment (JCCTA) at least two weeks prior to the training before approval to attend can be given. If you are not accepted for the training for any reason, your payment will be returned in full. If you must cancel before the scheduled training dates, all fees are non-refundable but may be applied to the cost of a future training. If you do not cancel with at least 48 hours prior notice or fail to attend, your fees will be retained by JCCTA. Participation in a future training would then require re-registration and re-payment in full. *Note: In the event too few participants register for the training, it may be cancelled. You will be given advanced notice of this unforeseen circumstance and can elect to have your fees returned to you or applied to a future training.*

Training Fees:

- New Certified Irlen Screeners - \$625.00
 - This fee includes training in the Irlen Screening Method, Screening Kit (Instructional and Task Manuals, 10 Test Records, two sets of overlays, magnifying bar, and two books written by Helen Irlen), various forms for use in a screening, the required practicum, and implementation ideas for your professional setting.
 - Participation in both days of the training is required.
- Previously Certified Irlen Screeners - \$75.00
 - Status as a Certified Irlen Screener must be verified by the Irlen Institute prior to the training. JCCTA will obtain this verification.

- Your certification must be no more than six months past the expiration date indicated on your certificate. If your certification is more than six months past the expiration date, you will have to register as a new screener, pay the associated fees, and complete the two-day training in its entirety.
- You must bring your screening materials, including the Instructional and Task Manuals, a Test Record, overlays, and magnifying bar, for use in the practicum experience. If you do not have these materials, you will need to purchase a new Screening Kit or your missing items.
- If your Instructional and/or Task Manuals are dated prior to 2010, you will be required to purchase new ones.
- You must submit two previously completed screenings with use of the IRPS for review before your recertification will be processed.
- You will only be required to attend the second day of the training.
