

## Sarah Lemmons, LPA

Ms. Sarah N. Lemmons is a Licensed Psychological Associate providing therapy and assessment services under the supervision and direction of JCCTA Licensed Psychologists.

Ms. Lemmons earned a Master of Science degree in Clinical Psychology from the University of Texas of the Permian Basin in 2017, having previously obtained a Master of Science in Forensic Psychology from Argosy University Dallas in 2011. She attended West Texas A&M University prior to entering her first master's program, achieving a Bachelor of Science in Psychology in 2006.

Ms. Lemmons has several years' experience conducting psychological and neuropsychological evaluations with patients across the life span, assessing for a variety of functional limitations, including Intellectual Disability, Autism Spectrum Disorder, and other emotional and behavioral challenges. She has provided both individual and group therapies, utilizing a diverse range of therapeutic interventions tailored to meet the needs of each individual she served. Ms. Lemmons has also supplied psychological services to individuals seeking disability services through My Health My Resources of Tarrant County, male inmates housed in a federal prison, persons attaining competency status to stand trial, and chronically mentally ill individuals residing in a state hospital.

Ms. Lemmons understands there is no "one size fits all" approach to treatment. She prides herself in her ability to meet each person with a non-judgmental perspective and considers her office a safe space where individuals can learn, grow, and thrive.

If you believe Ms. Lemmons can be of service to you, your child, and/or your family, please do not hesitate to contact her directly at [slemmons@jonesccta.com](mailto:slemmons@jonesccta.com) with any questions you may have.
