

Stephanie Wilson, LPA, LSSP

Ms. Stephanie Wilson is a Licensed Psychological Associate and Licensed Specialist in School Psychology providing assessment services under the supervision and direction of Dr. Jones and/or Dr. Scott.

Ms. Wilson obtained a Bachelor of Arts in Psychology from the University of Texas at San Antonio in 2005, and then went on to earn a Master of Arts in School Psychology from Trinity University in 2008.

Ms. Wilson has a wide range of experience working with children and adolescents in private practice and school settings, having joined the JCCTA team in the fall of 2018. She has conducted numerous psychological, neuropsychological, and psycho-educational testings assessing for a variety of functional limitations, including Autism Spectrum Disorder, Attention-Deficit/Hyperactivity Disorder (ADHD), Specific Learning Disabilities, and Intellectual Disabilities, as well as other emotional and behavioral difficulties. She worked with students in the Grand Prairie Independent School District (GPISD) for over nine years, gaining experience conducting comprehensive evaluations and Functional Behavior Assessments, writing Behavior Intervention Plans, and facilitating crisis counseling sessions, group counseling, suicide and violence risk assessments, and social skills training. Through her work with GPISD, she was additionally able to participate in a unique partnership with the Grand Prairie YMCA where she worked alongside a team of special educators in facilitating an inclusive summer education program with students who suffered from severe and profound disabilities. Eventually, this program grew to include monthly respite events provided to children with disabilities and their siblings. Prior to working for GPISD, Ms. Wilson completed a 1,200 hour internship program with Arlington ISD (AISD) where her primary focus was leading multidisciplinary evaluation teams in conducting assessments for students with educational disability concerns. During graduate school, she participated in two site-based practicum opportunities with the Winston School and a Military Independent District Cooperative.

Ms. Wilson is dedicated to helping patients and/or their families face challenges and make changes which can lead to growth and success. She is committed to providing outstanding and detailed assessments that provide a clear profile of a person's strengths and needs.
